

Mark the date!

We are excited to announce that the **9th AIDA Europe Conference will take place in Zurich, Switzerland on September 17th and 18th, 2020!** *The registration process will be open soon*

9th AIDA Europe Conference
Zurich 17/18 September 2020 - hosted by the Swiss Chapter

International Insurance Law Association Europe / Association Internationale de Droit des Assurances Europe

“Getting Fit for the Future”

Tackling the legal, regulatory and business challenges in times of climate and structural changes

The conference focuses on the development of emerging insurance **EcoSystems**, the increasing importance of **Sustainability** considerations (ESG) in the insurance industry and how governance and regulations need to react to the **Structural Changes** in insurance companies and markets.

The Zurich conference furthermore features AIDA Working Party meetings and a **Call for Papers** under the title «*The governance of insurance undertakings between corporate law and insurance*», which is expected to produce award winning contributions taking part in the **2nd AIDA Europe Young Authors' Award**, which might be included in certain conference sessions, depending upon the covered subjects.

HIGHLIGHTS of the conference are *(working version)*

Key Notes:

- Customer Service in evolving **Insurance EcoSystems**: *What are the future customer expectations and what are the challenges in delivering products and services in the new digitized economy?*
- **Sustainable [Re-]Insurance Concepts** in times of structural and market changes: *How are future trends towards sustainable insurance products and a sustainable business conduct changing the reinsurance industry?*

Plenary and Breakout Sessions dealing with:

- « **Change of Paradigms: ESG Footprint of Insurers** »
- « **Capital Market Solutions** as an alternative in times of market change and technological revolution »
- « **Managing Insurance EcoSystems – Legal and Regulatory Challenges** »
- « **Climate related Claims & Challenges** »
- « **Hot Topics** – New trends and developments »
- « **A Mock Arbitration** » applying the **PRICL** (*Principles of Reinsurance Contract Law*)

Furthermore, the following **AIDA Working Party Sessions** are contributing to the conference topics and/or are holding individual sessions during the conference.

- Working Party of New Technologies, Prevention and Insurances - joint meeting with Working Party on State Supervision
- Reinsurance Working Party – joint meeting with the PRICL Team
- Dispute Resolution Working Party
- Marine Insurance Working Party
- Civil Liability Working Party
- Personal Insurance, Private Pension and Health Working Party
- Financial Lines Working Party
- Motor Liability Working Party - joint meeting with General Principles of Insurance Law Working Party
- Working Party on Distribution of Insurance Products
- Catastrophic Events & Climate Change Working Party
- Working Party on General Principles of Insurance Law
