With more than **370 participants**, AIDA Rio 2018 promoted the exchange of knowledge and approximate participants from more than **33 countries**. In the **3 days** of the event, there were more than **30 hours of debates** in meetings, panels and working groups.

To celebrate this success, we have developed an online magazine summarizing everything that happened at the XV World Congress, the

In this email you will also have access to the material provided by the speakers, video and official photos of AIDA Rio 2018.
