1. Background – What is ARIAS?

- The story starts with AIDA (Association Internationale de Droit des Assurances): <https://aidainsurance.org>.
- During the AIDA Presidency of the late John Butler (1990 - 1998) the concept of **AIDA Reinsurance and Insurance Arbitration Societies (ARIAS)** was established.
- AIDA's By-laws were amended to permit either AIDA National Sections or the AIDA Presidential Council to establish AIDA Reinsurance and Insurance Arbitration Societies (ARIAS) for the purpose of facilitating and advancing the use of arbitration as a means for the resolution of insurance and reinsurance disputes.

1. Background – What is ARIAS?

7 ARIAS Societies currently are Centrally Affiliated Chapters to AIDA:

1. 1991 - ARIAS **UK** founded
2. 1994 – ARIAS-**US** founded
3. 1995- CEFAREA ARIAS **France** founded (as Centre Français d'Arbitrage de Reassurance et d'Assurance (CEFAREA) in 1995)
4. 2006 - ARIAS **Germany** founded (as ARIAS Europe e.V.)
5. 2011 - ARIAS **Latam** founded in Chile
6. 2017 - ARIAS **Asia**
7. 2021 - ARIAS-**Ireland** founded as a chapter of Arbitration Ireland

1. Background –ARIAS Asia

- ARIAS's 1st chapter in Asia.
- Nonprofit Asian (re)insurance arbitration & mediation service provider.
- ARIAS Asia appoints arbitrators and mediators where it is designated by parties as the appointing authority in their agreements. It also organises events to train legal, insurance and reinsurance professionals as arbitrators and mediators and to enhance their knowledge and expertise in the relevant sectors.
- **It does not charge administration fees** but rather allows the mediator / arbitration tribunal to run process on an *ad-hoc* basis.
- This model has been used for decades by ARIAS organisations in the UK, US, Europe and Latin America to resolve insurance and reinsurance disputes.

3. Mediation Rules (forthcoming)

- ARIAS Asia's mediation scheme adopts the same successful approach as used by ARIAS organisations around the world.
- Under the [ARIAS \(Asia\) Mediation Scheme and Guidelines](#), the mediator is empowered to administer the process (i.e. on an ad-hoc basis).
- This ensures that ARIAS Asia does not need to charge administration fees and allows greater flexibility for the mediator to run the mediation in accordance with the Rules and applicable law.

HUGILL & IP

S O L I C I T O R S

Our core services comprise partners who are recognized as leaders in the areas of Corporate & Commercial, Dispute Resolution, Employment & Business Immigration, Private Client and Family.

Aside from the current 7 partners and 2 consultants Hugill & Ip has a team of 10 associates, 4 trainee solicitors and about 12 supporting staff (paralegals, legal clerks, etc.).

We endeavor to build lasting client relationships based on trust, professionalism and discretion. We take into account specific circumstances and reflect that with the most appropriate structure and approach for the client. We do not believe that the “standard structure or trust” can ever be a genuine long-term solution and it is unlikely to be as effective as a carefully planned bespoke solution.

Our solicitors have achieved outstanding results in the most recent editions of Chambers Asia Pacific, Legal 500, Who’s Who Legal, Asialaw, Benchmark Litigation, Private client Global Elite and Doyle’s Guide. They have also been recognized multiple times by Asian Legal Business and Community Business.
